Graphic Designer

By Molyka

About Me

The Designer's Journey

I'm Molyka, a graphic designer and Management Information Systems student based in Phnom Penh, Cambodia. Passionate about visual storytelling and creative communication, I enjoy transforming ideas into engaging designs. I'm always exploring new ideas, learning new skills, and looking for opportunities to grow creatively and professionally.

Next

Core Design Principles

- **Simplicity & Creativity**

Creating clean, purposeful, and easy-to-understand visual concepts while exploring fresh ideas.

- **Balance & Consistency**

Combining typography, colors, and composition harmoniously to maintain a cohesive visual identity.

- **Attention to Detail**

Refining every element to achieve quality results and communicate clear, meaningful messages.

STORY MEDIA
MLXKA

WEduShare

Role: Graphic Design Intern

During my internship at WEduShare, I worked with the marketing team to create visual content for digital communication and promotional campaigns.

Experience

WEduShare | Graphic Design Intern

Nov 2024 — May 2025

During my six-month internship at WEduShare, I worked with the marketing team to create visual content for social media and promotional campaigns, supporting the company's digital marketing activities.

Responsibilities

- Designed social media graphics, promotional posters and digital advertisements.
- Created visual content for partner schools and international study opportunity campaigns.
- Assisted with video shooting and digital content production.

GRAPHIC DESIGN. WEDUSHARE. 2024-25.

Developed practical graphic design skills, improved visual communication, and gained experience working in a professional marketing environment.

Education

LEARNING. BUILDING. GROWING.
